

## Senior Vice President – Real Estate Management Services (Western Canada)

### Colliers International

Vancouver, British Columbia

Colliers International Group Inc. is an industry leading, global real estate services company with more than 16,000 skilled professionals operating in 66 countries. Services include brokerage, real estate management, valuation, consulting, project management, project marketing and research. Through a culture of service excellence and a shared sense of initiative, Colliers Canada and its more than 1,700 professionals, integrate the resources of real estate specialists across Canada to accelerate the success of its clients.

Colliers Real Estate Management Services (REMS) is a market leader in Canada, managing over 44 million sq. ft. of property in 10 strategically chosen cities. Colliers' approach to institutional asset and property management is unique in the industry, and places emphasis on identifying the subtle drivers that enable it to manage a property at a higher standard and maximize asset value. With a significant growth and transformation mandate, the role of Senior Vice President, Real Estate Management Services (Western Canada) has been created.

Reporting to the Executive Vice President, Real Estate Management Services (National), the SVP will have overall responsibility for the strategic direction, operations and financial results of the Western Canadian operations. He/she will be responsible for driving growth, market share and profitability. As Colliers makes the strategic shift to offer more asset 'advisory' services, such as project management, tax, valuation, leasing, due diligence and capital markets, the SVP will play a key role in leading all operations with a focus on service excellence, developing a client-centric organization and growing market share.

The ideal candidate will be an experienced, well-respected real estate executive who has exceptional leadership, communication and relationship building skills. Real estate services (property management, asset management, consulting, brokerage, leasing, etc.) experience is essential. A breadth of experience beyond just property management will be essential. He/she is a strategic thinker who can develop a vision and bring a team together around common goals and objectives.

With a preferred location in Vancouver, this role presents a great opportunity to join a thriving, international leader in global real estate, and take a leadership position within an enthusiastic and dedicated team.
