PROPERTY MANAGER
SASKATOON

Can you juggle?

If you have patience and style no matter what's thrown your way . . . you might be the act for us!

INNOVATION PLACE is looking for a **PROPERTY MANAGER** who can multi-task with ease and juggle responsibilities. We want someone who can serve as an ambassador for Innovation Place and manage the overall tenant experience. We have an unwavering commitment to our tenants' success and your professionalism and positive attitude will be an asset.

WHAT WE WANT FROM YOU

- the ability to develop great tenant and community relationships based on outstanding communication skills
- the ability to make timely decisions and provide clear directions
- excellent understanding of leases, legal and contractual issues
- strong financial, analytical and leadership skills as well as a focus on customer service
- commitment to environmental sustainability and engagement of tenants in reducing our environmental footprint
- excellent understanding of the commercial real estate market
- a university degree in Commerce or Business Administration and/or a Certified Property Manager (CPM) designation from the Real Estate Institute of Canada, or Real Property Administrator (RPA) from the Building Owners and Manager Institute International, plus five to seven years' experience, or an equivalent combination of education and experience

WHAT YOU CAN EXPECT FROM US

- highly engaged employees working in one of the world's best technology parks
- a flexible and fast-paced work environment
- a great benefits package
- a wide variety of tenants

. . . and we don't drop the ball on work / life balance!
