

## Thank - you

On your behalf, the REIC/IREM board presented a cheque for \$1668.00 to Fusion Kitchen. This amount was raised at our Christmas luncheon and auction. Thanks to the generous donations we received and the 50/50 draw prize. Thank you Shami Sadhu for donating his winnings from the 50/50 draw.

Fusion Kitchen is a cooperative kitchen that opened in west Edmonton June of 2008. This Christian based program assists community low-income families, meet the challenge of preparing low-cost, healthy meals. The collective kitchen brings people together

to learn to cook healthy, nutritious meals on a limited budget. The participants go home with several cooked nutritious meals to use throughout the week. The cost to feed to their family is \$3.00 per person for the week. A much needed upgrade to the kitchen was finished with the funds donated by REIC and IREM Christmas auction.

## Interested

Are you able to spare a couple hours a month? The REIC and IREM board is looking for willing volunteers to part of the board or committee. Many of the REIC/IREM board members have been volunteering their time for a number of years. The knowledge, wisdom and insight they contribute are a valuable asset to the board. Why have they stayed on the board for so long? Because

they find it rewarding and informative. We are looking for members who want to help grow and contribute to both the REIC and IREM Edmonton chapter. The board meetings are held once a month with the exception of July and August. The meetings are usually less than two hours long and held on the second Thursday of the month. Interested ?? call
