The internationally recognized designations offered by REIC are an excellent way for consumers, investors and portfolio managers to identify committed and experienced real estate professionals.

REIC courses, which can be taken as part of an Institute designation, or as stand-alone education, are the most well-respected and comprehensive courses offered for real estate professionals across Canada.

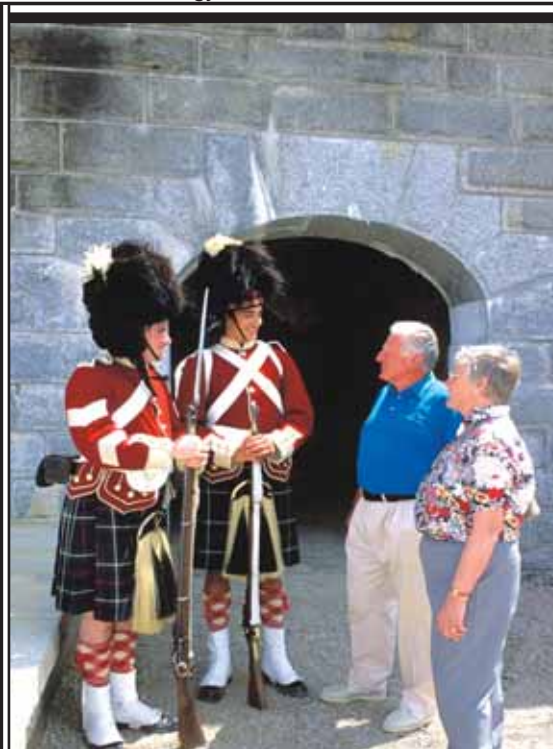

Each of REIC's 2,000 members have extensive experience in their sector of the Real Estate Industry, proven by the successful completion of their accreditation studies.

Every year, REIC invites its members from coast-to-coast to the Annual Conference to participate in professional development programs and social events, acquiring in-demand skills while networking with their colleagues, suppliers and industry experts.

We invite you to be part of REIC's 2009 Annual Conference in Halifax, NS as one of our sponsors.
